School: <input type="checkbox"/> St. Clare	Other: (specify) _____
Other athletic interest and accomplishments: _____	

PARENT AVAILABILITY: In order to offer our children the opportunity to participate in sports, the Athletic Committee depends on volunteers. In addition to coaches and team managers, volunteers are needed for various fund raising and other necessary functions, such as but not limited to: staffing concessions and security, cleaning our facilities after games and tournaments, and helping with the annual school-wide solicitation. You will be asked to do your share.

PLAYER HEALTH: Before participating on a St. Clare team, your child must have passed a recent physical examination. While our coaches receive no special medical training, you are requested to provide the following information. In addition, you are urged to notify your child's coach promptly of any changes in your child's physical condition.

Last Physical Exam: _____ / _____ / _____ **General Physical Condition:** _____

Special Medical Restrictions which may affect participation in sports (include a description of any respiratory or circulatory conditions): _____

Covered by Health Insurance: Yes No **Insurance Company:** _____

Policy Number: _____ **Sponsor:** _____

Family Physician: _____ **Phone Number:** _____

Athletics are necessarily physically demanding. Good general conditioning is essential and must be the responsibility of the player and his/her parents. Nevertheless, accidents during practice, games or traveling can and do happen. St. Clare Parish, its Athletic committee and its coaches cannot be responsible for play injuries. Therefore, each parent must accept all risk of injury to his or her child and take responsibility for obtaining adequate health insurance to cover such injuries and represent that your child has been found fit to participate in this sport by a physician in a recent physical exam.
