

## Lent 2018

Lent is a time in the liturgical year when we are asked to slow down the hectic pace of our daily lives and reflect on our relationship with God and the people He has placed in our lives. It is, in short, a special time to take stock of our individual faith life. There are guideposts to help us make the season of Lent more meaningful. They are: prayer, fasting and almsgiving – each needs to have a place on our faith journey. Listed below are Lenten opportunities that are being offered at our parishes of St. Clare and St. Philomena, everyone is encouraged and welcome to attend as many as possible at either location. There are resources at the back of our churches to help us on this journey. It is our prayer that everyone will find time to participate in some of these spiritual experiences to encounter Christ, witness the work of the Holy Spirit, and grow in faith. Let us pray for each other.
